**Project Title:** Sturgill Simpson Website

I think I want this website to be multi-page in a way that allows it to both mainly focus on highlighting his music like an album catalog while also still providing a biography on his life, with a page for each album/project.

1. Intro
2. Background/Biography
3. Music Career: Album Catalog
  - a. High Top Mountain
  - b. Metamodern Sounds in Country Music
  - c. A Sailor's Guide to Earth
  - d. Sound & Fury
  - e. Cuttin' Grass Vol. 1 & 2
  - f. The Ballad of Dood & Juanita
